THE LEARNING LEDGER

Ring Road Campus

Principal's Message

Dear SOAR STEM Community,

As we approach the holiday season, I extend my warmest wishes for joyous celebrations and quality time with loved ones. With Result Day on June 10th and Eid-al-Azha festivities in June 2024, I encourage you to embrace both the spirit of togetherness and the anticipation of academic achievements. May this break be filled with happiness, reflection, and rejuvenation, preparing you for the exciting opportunities that lie ahead. Wishing you all a happy Eid, a successful Result Day, and a memorable holiday season.

Warm Regards,
Shehla Shahid

Mother's Day

Our Early Years students celebrated Mother's Day with heartfelt cards, touching videos, and special handmade gifts. They shared their love and appreciation for their wonderful mothers in unique and creative ways.

Highlights

- Mother's Day
- Crazy Hat and Hair Day
- Movie Day
- End Session Party
- Happy Routines
- Assemblies Grades 1 to 8
- STEM Olympiad Global Challenge
- ICATS Certificate Distribution
- End of the Year Assessments
- Upcoming Events

Crazy Hat and Hair Day

Our Early Years students rocked Crazy Hat and Hair Day. Their creativity and vibrant styles brought so much joy and color to our school. We're incredibly proud of their unique ideas and the fun they shared.

Movie Day

Our Early Years students had a blast on movie day. They enjoyed watching Kung Fu Panda and Madagascar, all while munching on their favourite snacks.

Happy Routines

- Drink water frequently to keep your body properly hydrated.
- Schedule moments of relaxation and recreational activities to enhance your mental health.
- Spend time on activities you love to fuel your passions and creativity.
- Regularly interact with loved ones to build and maintain meaningful connections.
- Give yourself regular intervals away from digital devices to relax your eyes and rejuvenate your mind.
- Participate in physical activities like walking or cycling to stay fit.

*"Loving yourself isn't vanity. It's sanity."
- Katrina Mayer*

Morning Assemblies Grades 1 to 8

Morning assemblies at our school are truly special. From grades 1 to 8, our students took the stage with confidence and enthusiasm, showcasing their talents and boosting their self-esteem. Proud of their initiative and growth.

Labour Day

Grade 5 took the stage during our morning assembly to shed light on the issue of child labour, reminding us of the true essence of Labour Day. Their powerful message inspired everyone to join hands in creating a world where every child gets to be just that – a child. Let's honor and protect the rights of workers everywhere.

ICATS Certificate Distribution

Our talented students shone brightly at the ICATS competition. Their hard work and creativity earned them certificates and gifts in both the art and writing categories. Congratulations to all our young achievers for their incredible dedication and talent.

Stem Olympiad Global Challenge

Our talented students from Grade 2B, Grade 3A, and Grade 6A showcased their incredible skills at the STEM Olympiad's Global Challenge, creating captivating Rube Goldberg Machines for toothpaste application. We are thrilled to announce that our school won certificates in various categories:

Grade 2B (Mini Marvels) - Precision Engineering Award

Grade 3 (The STEM Stars) - Best Creative Work

Grade 6 (Creative Cubs) - Best Use of Everyday Objects

Congratulations to our amazing students for their outstanding achievements.

End of the Year Class Party

Our students marked the last day of school before vacation with a joyous celebration. They brought delicious food items, played fun games with their class teachers, and shared heartfelt goodbyes with their classmates and teachers. Here's to wishing them all the best for the new session and an enjoyable holiday break.

Awareness Cyberbullying

Our students presented an assembly on the critical issue of cyberbullying, linking it to the distressing events in Gaza. They highlighted how online harassment can exacerbate real-world conflicts and the importance of fostering empathy and understanding in digital spaces. Let's unite against cyberbullying and promote peace and kindness online, particularly during such turbulent times.

End Year Class Assessment

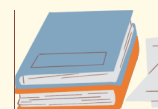

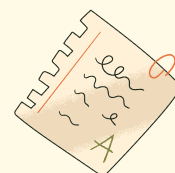

The recent final assessment focused on enhancing critical thinking skills among students, fostering stronger decision-making abilities. This comprehensive evaluation assessed not only their conceptual understanding but also their practical skills, ensuring a well-rounded development.

Upcoming Events

- Result Day (June)
- HRCA Price Distribution
- Supplementary Classes for O levels
- Orientation Session for Grade 8 (August)
- FSP Certificate and Medals Distribution (August)
- IKSC (September)
- Diagnostic Session
- School Reopen in August

As we head into the summer vacation, let's remember to stay safe, stay hydrated, and make the most of this well-deserved break. Enjoy your time off, have fun, and come back refreshed and ready to learn. Have a fantastic summer, everyone.

Campus Achievements in Inter-School Competition 2024

Gold Medals: 26
Silver Medals: 25
Bronze Medals: 6
Special Awards: 4
Giveaways: 6

MathLego Competition Winners

Zayyan Hussain

Grade 4 - Gold Medalist

Dua Ahmed

Grade 2 - Gold Medalist

Aimen Noor
