## MESSAGE FROM THE PRINCIPAL

**DEAR PARENTS AND GUARDIANS,**

With the conclusion of March, we wish to express our appreciation for the students' notable progress in their educational development this term. The daily opportunities for discovery and growth have been instrumental in cultivating their confidence, curiosity, and creative abilities.

The students' achievements, encompassing both academic and social domains, validate our commitment to early childhood education. We acknowledge the invaluable contribution of our families and express our gratitude for their collaborative partnership, which is essential to the provision of a nurturing and enriching learning environment.

As we reflect on the blessed month of Ramadan, we hope it brought you moments of peace, reflection, and spiritual growth. May the spirit of generosity and compassion fostered during Ramadan continue to illuminate our lives.

We also extend our warmest wishes for a joyous and blessed Eid-ul-Fitr. May the celebrations have filled your hearts with happiness and brought you closer to your loved ones. We hope you enjoyed the special time with family and friends.

**Warm Regards,  
SHEHLA SHAHID  
SCHOOL HEAD,  
RING ROAD CAMPUS**

SOAR school joyfully marked its 6th anniversary with a vibrant celebration! The campus buzzed with excitement as we cut a celebratory cake and released balloons into the sky, symbolizing the soaring heights we continue to reach. Students, teachers, and staff shared heartfelt reflections on what they cherish most about Soar, highlighting the strong sense of community and the nurturing learning environment. A lively quiz, testing our knowledge of the institution's history and values, further strengthened our unity and pride. Students were rewarded for their achievements. The day was a wonderful reminder of the collective journey and shared passion that makes SOAR School truly special.

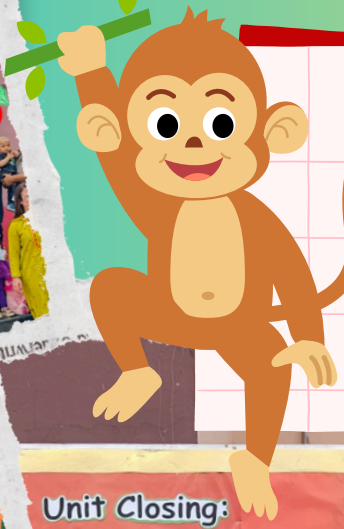

# 6<sup>TH</sup> ANNIVERSARY OF SOAR STEM

Our Play Group transformed into a vibrant Animal Kingdom for their unit closing! The children, dressed as their favorite creatures, brought the jungle, savannah, and ocean to life with their imaginative costumes. This immersive experience wasn't just about fun; it was a journey of discovery. Through role-playing, interactive activities, and sensory explorations, they learned about diverse animal habitats, developed their communication skills, and enhanced their understanding of the natural world. From roaring like lions to flapping like butterflies, they truly embodied the spirit of the animal kingdom, showcasing their creativity and growing confidence

The Transport and Travel unit closed with a delightful display of our Nursery's explorations. Through hands-on activities, they discovered various modes of transport, simultaneously refining their sensory skills by feeling different textures, listening to diverse sounds, and experiencing the world in a multi-sensory way.

# TRANSPORTATION

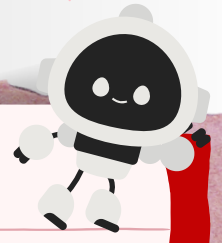

The Robotics Lab buzzed with innovation last week as students showcased their remarkable robotic projects. From intricate automated arms to nimble, sensor-driven rovers, the ingenuity on display was truly inspiring. These projects, captured in the accompanying photos, represent countless hours of dedication, problem-solving, and collaborative effort. They highlight not only the students' technical prowess but also their boundless creativity and passion for exploring the exciting world of robotics.
