CAMPUS

**JANUARY
2025**

Dear Parents and Guardians,

As the first month of this term comes to a close, I'm thrilled to reflect on how inspiring and eventful it has been for our school community. The enthusiasm and energy our students have shown—both in the classroom and during extracurricular activities—have truly set a positive tone for the rest of the term.

This past month has been full of memorable moments as we celebrated the talents and achievements of our students. A special mention goes out to those students who represented our school in external events, showcasing their dedication and skills and making us all proud. On campus, Bonfire Night was a warm and joyful experience that brought together students, parents, and staff for an evening of camaraderie and fun.

Looking ahead, we're just as excited about what's in store! This term will feature enriching field trips that take learning beyond the classroom. We're also preparing for a high-energy Sports Day, where students will get to demonstrate their athletic abilities, teamwork, and sportsmanship. On top of that, we're introducing new activities designed to spark curiosity and engagement among our learners.

Thank you, as always, for your continued support and encouragement. It's a vital part of our shared journey of growth and learning. Together, let's make this term a rewarding experience for our students.

Warm regards,
Principal
Ayisha Salman

NEW BEGINNING: A FRESH ACADEMIC TERM

The start of a new academic term brought an air of enthusiasm as students stepped into classrooms, ready to embrace the challenges and opportunities that lie ahead. The vibrant energy on campus was a testament to the excitement of embarking on this fresh journey of learning and growth.

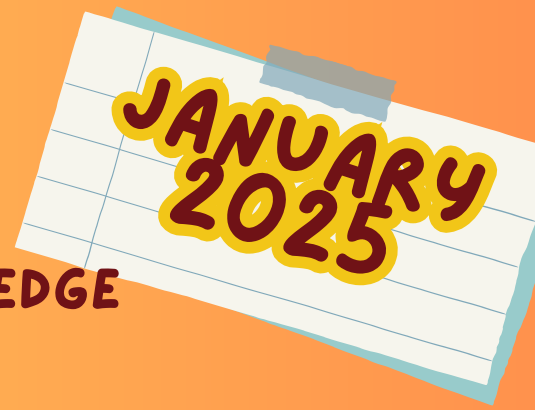

Teachers have meticulously planned engaging lessons, innovative projects, and collaborative activities to inspire and nurture each child's potential. The focus this term will be on fostering creativity, critical thinking, and a love for learning, with every effort aimed at ensuring that students thrive academically and personally.

Parents are encouraged to stay actively involved, supporting their children and maintaining open communication with teachers to make this term a success. Together, we aim to create an enriching environment that empowers our students to achieve new milestones.

Here's to a productive and fulfilling academic term ahead!

SOAR & EXPLORE: A FUSION OF KNOWLEDGE (18TH JANUARY 2025)

The SOAR STEM School DHA-EME Campus proudly hosted its much-anticipated “SOAR & Explore” event on Saturday, 18th January 2024, from 10:00 AM to 2:00 PM. Designed to offer a glimpse into the interdisciplinary learning approach of our school, the event served as a platform to showcase student creativity, collaboration, and innovation.

Interactive Learning in Action

Parents and children participated in hands-on classroom activities led by teachers. These “Learning in Action” sessions allowed parents to step into their children’s shoes and experience the joy of learning through interactive tasks. Meanwhile, outdoor activities planned by the sports teachers added a dynamic element to the event, ensuring energy and excitement for all ages.

Showcasing Technology and Innovation

A special highlight of the event was the display of robotics projects, demonstrating the school’s emphasis on integrating technology into the curriculum. Students showcased their coding and engineering skills, leaving attendees impressed with their creativity and problem-solving capabilities.

Kindergarten Unit Closing: 'TRANSPORT'

Our kindergarten class recently celebrated the conclusion of their transportation-themed unit with a fun-filled event. Parents were invited to join their children as they showcased their learning journey, exploring various modes of transportation.

Our young learners confidently explained different types of transportation, including cars, buses, trains, airplanes, and boats. They shared fascinating facts and highlights from their learning experiences, demonstrating their knowledge and enthusiasm.

The students displayed their creative crafts, each linked to a specific mode of transportation. From paper plate cars to construction paper airplanes, every project showcased their understanding and creativity.

To culminate the event, parents and students worked together to create a traffic light craft using their favorite shapes. This interactive activity fostered bonding, creativity, and teamwork, resulting in a unique, handmade keepsake for each family to take home.

Bonfire (25th January 2025)

The SOAR STEM School DHA-EME Campus lit up the evening sky with its spectacular Bonfire Event on Saturday, 25th January 2024. From 2:00 PM to 6:00 PM, the school campus transformed into a lively festival ground, welcoming students, parent, and staff for an unforgettable celebration of fun, music, and camaraderie.

The Bonfire Event proved to be a resounding success, leaving attendees with smiles, laughter, and a deeper connection to the SOAR STEM School community. As we continue to grow and thrive, we look forward to hosting more events that bring our families, staff, and students together in celebration and learning. Thank you to everyone who joined us for this magical evening!

SHINING STARS, SOARING HIGH!

🌟 LET'S CELEBRATE THEIR HARD WORK, DEDICATION, AND TALENT! SHINING STARS, SOARING HIGH!

ICAT SCIENCE CONTEST WINNERS

WE ARE THRILLED TO ANNOUNCE THAT STUDENTS SOAR EME CAMPUS PARTICIPATED IN THE ICAT SCIENCE CONTEST 2024, WITH NINE OF THEM SECURING REMARKABLE POSITIONS:

🌟 PROVINCIAL TOPPER:

MAISAM ALI FROM GR 9

🌟 SCHOOL TOPPER:

• FATIMA ASIF FROM GRADE 9

🌟 EXCELLENT PERFORMERS:

• MAIRA INTIKHAB FROM GRADE 9

• URWA FAROOQ FROM GRADE 9

🌟 THE SMASHERS:

• LINTA QURESHI FROM GRADE 1

• MUHAMMAD TAHA FROM GRADE 2

• MARIA SAJJAD FROM GRADE 3

• AROUSH HAFSA FROM GRADE 8

• IBRAHEEM AFFAN KHAN FROM GRADE 10

HRCA PRIZE WINNERS

WE ARE DELIGHTED TO ANNOUNCE THE OUTSTANDING ACHIEVEMENTS OF OUR STUDENTS IN THE HRCA SCIENCE QUIZ HELD AT THE NATIONAL LEVEL AND CRITICAL THINKING.

🌟 MUHAMMAD ALI - GRADE 1
(BRONZE MEDALIST - SCIENCE QUIZ)

🌟 HASSAN REHMAN - GRADE 2
(BRONZE MEDALIST - SCIENCE QUIZ)

🎁 ZAINAB SHAYAN - GRADE 3
MINSAL

UMAR - GRADE 2

RAYYAN REHMAN - GRADE 3

MARIA SAJJAD - GRADE 3

ALEHA FATIMA - GRADE 6

HALEEMA SHAKIL - GRADE 7

MAHNOOR IQBAL - GRADE 7

FATIMA SAEED KHAN - GRADE 7

AROUH HAFSA - GRADE 8

ZAINAB SHAYAN - GRADE 3

NABEEHA NABEEL - GRADE 3

IBAAD MALIK - GRADE 7

FAHAD UMAR - GRADE 3

SALEHA ADEEL - GRADE 3

Revision for upcoming O Levels & Matric exams

Revision and reinforcement classes have been scheduled for O Levels and Matric students to provide them with an intensive crash course, equipping them with the knowledge and skills needed to excel in their upcoming examinations. These sessions are designed to review key concepts, address learning gaps, and boost students' confidence as they approach their exams.

Upcoming Events:

Student Led Conference

Field Trip

Sports Day

Unit Closing
