## **Principal's Note**

**Happy New Year! As we step into 2025, I am delighted to welcome you all back to school for an exciting new term. This is a wonderful time to set fresh goals, embrace new opportunities, and make meaningful progress together.**

**To our students, your classrooms are ready to come alive with your energy and curiosity. Your teachers have planned engaging lessons and activities to inspire your creativity and help you achieve your best. Let's approach this term with enthusiasm and a commitment to learning and growth.**

**To our parents, thank you for your continued support in fostering a positive and enriching educational experience for your children. Together, we form a strong partnership that ensures every child can thrive academically and personally.**

**As we begin this new chapter, I look forward to the incredible milestones we will achieve as a community. Let's make 2025 a year of learning, collaboration, and success!**

**Warm regards,**

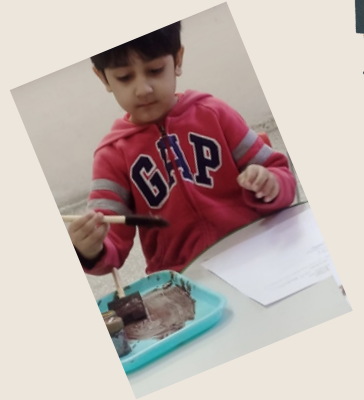

**Ayisha Salman**

## FEELINGS AND EMOTIONS

Our Playgroup students delved into the captivating theme of Feelings and Emotions, engaging in activities designed to nurture their understanding of various emotions such as happiness, sadness, surprise, and love. Through creative role-playing, interactive storytelling, and hands-on craft-making, they explored these emotions in a fun and meaningful way. These activities not only fostered stronger connections with their peers, building empathy and enhancing social bonds.

## COMMUNITY HELPERS

In the Nursery class, students dived into the vibrant world of Community Helpers, uncovering the roles of individuals who contribute to our well-being and safety. Through imaginative role-playing sessions, they dressed up as doctors, firefighters, and teachers, embodying these roles with enthusiasm. Storybooks about community helpers further deepened their understanding, sparking curiosity and respect for these professions.

# UNIT CLOSING

Unit closings for Playgroup and Nursery were a delightful celebration, where parents were invited to participate in engaging, hands-on activities alongside their children. This interactive experience not only showcased the students' learning but also strengthened the bond between parents and children through collaborative exploration and play.
